

2.0kW Portable Heating Radiator

Oil-Filled Heating Radiator with Adjustable Thermostat

Features

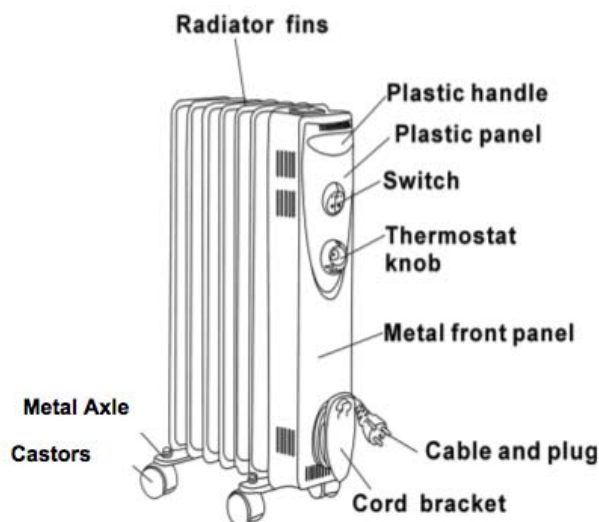

This compact portable oil-filled radiator with integral thermostat, is easy to operate and small enough to conveniently fit in small areas, ideal for offices, retail outlets and workplaces.

The Cool Energy 2.0kW unit has 3 heat settings and has been designed for a fast rental installation.

The unit operates from a standard 13amp single-phase supply and has an adjustable thermostat to help safely manage the heat in your specific area.

In addition to this, the unit is entirely portable and has castors and carry handles. This allows for easy movement when cleaning around this lightweight unit.
