Dedicated to Safety

As a group, ICS Cool Energy is also registered with several schemes including **Safe Contractor** and, in terms of refrigeration compliance, all Cool Energy installation engineers are **F-Gas** qualified to ensure they fully meet **Refcom F-Gas Certification**.

Refcom Certified

Certification

ICS Cool Energy's certification covers all divisions within the group and each employed engineer has either **CITB safe handling of refrigeration** or **City and Guilds handling of refrigerant qualifications**, which is a requirement of **Refcom** to obtain the accreditation.

The ICS group of companies incorporates sales, rental, servicing and manufacturing, offering the ideal solution whatever your application. For more information please call us on free phone **0800 840 4210** or visit our website www.coolenergy.co.uk.
