

Need Emergency Cooling Fast...

*Speak to **Cool Energy** today*

Cool Energy are specialists at providing cooling solutions for long or short term rental in the Healthcare Industry.

Experience counts when you have an unplanned emergency or need temporary cooling to meet the specific demands of your equipment and building.

Cool Energy have completed many successful cooling projects for the NHS and Private Sector when breakdowns have occurred. We have the most environmentally friendly fleet of rental chillers, air conditioners and modular cold stores in the UK and Europe. Units are ready for hire along with energy saving features such as **heat recovery** and **free cooling coils** to help reduce your running costs.

For more information on our range or contingency plans please contact us on **0800 840 4210** or cool.energy@icstemp.com

Efficient, energy saving chillers for long or short term rental

We can help keep your patients and staff cool and comfortable in their environment.

Cool Energy are specialists at providing a wide range of brand new and ex-demo chillers, air conditioners and cold stores ranging from (1kW - 2MW units), for a variety of medical applications from MRI and CT scanners, Central HVAC, Mortuary cooling and IT facilities.

We also specialise in portable air conditioning for localised cooling in wards, waiting rooms and storage areas.

Energy Saving Equipment

You can choose from the latest Class A energy saving equipment with zero-ozone depleting refrigerants and a choice of compressors to match your application.

Cool Energy can fully support your hire installation arranging transport, installation and commissioning along with any lifting facilities that may be required.

24/7 Support

We can help you when you have a planned or unplanned cooling project.

We offer no obligation site surveys, expert advice, contingency support packages, emergency response and same day delivery.

Peace of Mind

All Cool Energy personnel working in the health sector are checked and approved, and our business is fully accredited, giving you complete peace of mind.

Our experience has provided us with a wide appreciation of the varying and operational interfaces within healthcare organisations.

Cool Energy have provided support for many applications including:

- **Hospitals** - for any clinical location including A&E, patient wards, individual rooms, outpatient clinics, scanner suites, treatment rooms, operating theatres and mortuaries.
- **Support facilities** including IT facilities, temperature sensitive storage areas, server rooms, administrative offices and canteens.
- **Nursing and care homes**, both NHS and Private.
- **Clinics and health centres**, both large and small including some that provide minor surgical procedures.
- **GP practices and patient Homecare.**
- **Secure hospitals and clinics.**

Choice of Rental Options

...tailored for your business

Flexible Rental Packages

We can tailor packages to your needs on a weekly, monthly, annual or longer basis, with a sliding scale of prices to help match your budget.

We will visit your site, help specify the correct unit for your application, analyse your operating costs and recommend the most economic and resilient piece of equipment to suit your project.

We can help you deal with the effects of rising ambient temperatures, install reliable equipment during maintenance of permanent systems, and guarantee the fastest response after breakdown.

You've nothing to lose by calling us for a quotation.

“
*We provide a genuine
24 hours service 365 days
a year with a manned
out of hours helpline.*
”

Reasons to Rent:

- **No capital outlay** - you can retain the cash in your business and earn interest off this or utilise it for a more urgent project.
- **No maintenance charges** - we deliver new equipment to you and provide 24/7 maintenance throughout the rental period from 6 months to 6 years.
- **Your kit won't grow old** - for all 2-6 year rentals we will replace your equipment every 2 years.
- **Flexibility** - want to upgrade your rental chiller after 1 year? No problem, give us 3 months notice.
- **Tax efficiency** - you can offset your monthly rental charges against any future corporation tax payment.
- **Cashflow** - your rental price remains the same throughout your hire period so you can accurately budget your outgoings without any unforeseen charges.
- **Paperwork** - No leasing documents, setting-up costs or searches.
