

## New Cool Online Shop

### Summer Offers

Cool Energy have today launched a new range of Special Offers for customers who want to buy or hire portable air conditioning and larger factory coolers on-line in time for this Summer.

The offers can be purchased online from their web shop, [www.staycooler.co.uk](http://www.staycooler.co.uk), which also has a large selection of goods including office fans, evaporative coolers, air conditioners and warehouse air movers.

Cool Energy's new arrival -  
7.3kW office and server room cooler.

### Buying Made Easy

Customers are able to order securely on-line for **next day delivery** and secure the latest environmentally-friendly equipment to help reduce business running costs.

In addition to this Cool Energy have launched a range of easy to follow online installation You Tube clips, to assist staff and engineers who rent or buy their products here in the UK, or in continental Europe.

Commenting on the new launch, Russell Wilson, Cool Energy Rental Director said,

*"We have been able to source a wide range of products capable of delivering low power use, together with keen pricing and a fast delivery service".*

A wide range of office and factory fans are available online of next day delivery

## Prepare for a Good Summer

In tandem with April, Cool Energy anticipate this May and June to be warm, as this has been reported by the Met Office, and expect to be able to service customers on a nationwide basis from 9 regional locations:

Dagenham, Kingsbury, Southampton, Bristol, Birmingham, Bradford, Manchester, Glasgow and Dublin.

Spot Coolers and Office Air Conditioners  
can be hired or purchased

Cool Energy have previously managed projects within Airports, Museums, Hospitals, Leisure Centres, Server Rooms, Commercial Offices, Theatres, Distribution Centres, Packaging Halls, Production Areas and workstations.

## Hire rather than Buy

Customers can also Hire the range of equipment advertised in the web shop and their local rental engineers can visit site and recommend the correct equipment needed, prior to customers making a decision.

A same day or next day visit can be planned to meet any emergency or planned maintenance requirement.

Customers can call a central freephone number on **0800 840 4210** for direct assistance and also email their requirement on [www.staycooler.co.uk](http://www.staycooler.co.uk).
