

Stay Cool

Don't let the heat affect
your staff and business...

... Rent or Buy air conditioning from the experts

We are a national refrigeration company who can deliver and install portable air conditioning anywhere in the UK for sale or hire.

Need to cool your staff or business? Cool Energy has a range of equipment including portable air conditioners, evaporative cooling units, spot cooling and fans, fan coils, air handling and fixed air conditioning.

We can visit your site or office and specify the correct equipment for your individual workplace requirements on a fixed or temporary basis.

Alternatively, units for office and warehouse applications can be rented or purchased from our online shop www.staycooler.co.uk and can be delivered to you fast on a next day basis.
