

Struggling to achieve temperature?

No problem. Cool Energy can provide you with a temporary solution to help improve your cooling tower performance.

Don't worry if you're **short** of duty or have to **refurbish** or **shut-down** – we can hire you a supplementary cooling package to suit your long or short term shortfall.

We have the experience and equipment to either **slipstream** your system or **control the whole duty** from your process.

Call us now to arrange a **site visit** or **contingency plan** to help manage any breakdown or summer cooling requirements free on **0800 169 3861** or log on to **www.coolenergy.co.uk**.
