

Your nationwide emergency cooling service

Cool Energy are specialists at providing cooling solutions for long or short term rental.

Experience counts when you have an unplanned emergency or need temporary cooling to meet the specific demands of your building. Cool Energy have completed several successful projects for the NHS and Private Sector, including MRI scanner cooling, Operating theatre, Central HVAC, Morgue and the air conditioning of wards.

We also have the most environmentally friendly fleet in the UK and Europe ready for hire and energy saving features such as heat recovery and free cooling coils to help reduce your running costs.

Call us now on **0800 169 3861** or visit our website www.coolenergy.co.uk if you have an immediate requirement or need a contingency plan.

Nationwide Rental Service

We can support you anywhere...

Large Chiller Rental

Project Management

Installation & 24 Hour Maintenance

Experience counts when you have a planned or emergency cooling requirement.

We are problem solvers to a wide range of building services, food, chemical, plastic and engineering companies throughout the UK and we are proud of this fact.
